

# *A True Holiday Gift!*

*A large evergreen tree at  
Tomah Memorial Hospital will  
be designated as the "Love Light Tree".*

*This tree will be decorated with white lights that  
have been donated "In Memory" of people who  
have touched our lives and are  
no longer with us.*

*You have the opportunity to donate a light or  
a string of lights on the tree to honor  
someone special to you.*

*For a small donation, you may designate the  
person you wish to remember and if you choose,  
an acknowledgment card will be  
sent to the family.*

*A tree lighting ceremony will be held  
Sunday, Dec. 3 at 6:30 p.m. at  
Tomah Memorial Hospital  
to mark this special occasion.*

*You are invited to share the  
timeless gifts of the Holiday  
Season; giving, loving,  
sharing and remembering.*
